

SUMMER *sizzle*

There's no better time than summer to experiment with color. Here's how!

* Start with flawless skin.

Try **It Cosmetics' Bye Bye Pores** for an all-over airbrush finish that isn't cakey.

* Pick one area of the face to highlight.

See our picks for eyes, lips and cheeks!

* Be adventurous.

These fun trends won't be around for long—so jump in and enjoy them while they last!

Jessica Biel

"Take risks with color! Summer 2010 is the time to be bold with a pop of bright blush or bright coral lips or even teal eye shadow."

— Jaime Kern Lima, It Cosmetics
